

**We celebrate
Happy Nowruz**

written by Indra Afia

Golden light
Shinning over you
Spring in right here
And the flowers bloom

Open your heart and let the love shine through it
it`s time to start something new you can do it.

**We celebrate
Happy Nowruz
A new day is born
Happy Nowruz
A new start again
Happy Nowruz
Happy New Year**

Together
We live and we dream
Even the birds
Singing as a team

Nowruz mobarak, frohes Nowruz
mutlu Nowruz, happy Nowruz

Open your heart and let the love shine through it
it`s time to start something new you can do it.

**We celebrate
Happy Nowruz
A new day is born
Happy Nowruz
A new start again
Happy Nowruz
Happy New Year**

Nowruz mobarak, frohes Nowruz
mutlu Nowruz, happy Nowruz

We are here to celebrate the New Year
We are here to celebrate the New Year
happy New Year
